

1-800 wxbrief.com

Pilots know weather is an all-too-frequent common denominator in many GA accidents. We will review the reports you should look at every time you go for a local flight and those you should consider for your cross country flights. We'll take a detailed look into the new www.1800wxbrief.com and discuss some of the online sites that are excellent reference for planning your flights in this "www" world.

Directions: Fly In: Park in designated parking area as directed. Walk to D-8 Hangar Drive In: Park in designated parking area (parking fee applies) and walk to D-8 Hangar.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
